

BOTANIC GARDEN

THE MUSICAL

An intimate musical listening experience based on the play *Botanic Garden* by Todd Logan

the Story:

It's Kate's first date as a widow and she's desperate to get out of it.

There's only one person who can help.

Jake, her dead husband.

Botanic Garden The Musical is a two-person musical about love, grief, memory, and moving forward.

Created by playwright **Todd Logan** and Tony-nominated composer **Lindsay Jones**, the musical is presented as an **immersive audience listening experience** designed for theaters, community venues, senior living communities, arts organizations, and alternative presentation spaces.

Listening Experience

- Approximately **70 minutes**
- Presented as a **communal listening** event
- **Lights lowered** for immersive listening
- Optional projected **visual and captions**
- Audio-focused presentation with **post-show discussion** options
- Flexible presentation format for **in-person** or **hybrid/telepresence** participation

Technical Requirements

- Space to accommodate an **audience of 25-150**
- **Computer with internet access** to stream the musical to a connected **screen/display and sound system**
- Depending on your event options, you *may* also need access to Zoom, along with a webcam and microphone
- Events can include an **introduction from Todd or Lindsay**, plus a **post-show discussion and Q&A**

We will setup technical pre-work to help you optimize your venue for a seamless experience.
